About the Course

This is an Intensive 35 - 40 hour Business English Language course for Executives over one week(intensive) or two weeks

Business English in Barbados

Classes

- ▶ In private sessions participants work at their own pace with a personal coach to iron out any gaps, role-play particular scenarios and practice those all-important business case studies
- ▶ In small groups with fellow professionals, participants develop speaking and listening proficiency by engaging in lively discussions and delivering compelling presentations
- ▶ Outside of class the full advantage of the immersion experience becomes available through networking with peers during (organised) social activities

Bespoke Curriculum

- ▶ During class time, participants practise in professional situations such as business meetings (including teleconferencing), reviewing work-related reports, presenting and negotiating
- ▶ They also benefit from a full year's access to our Online Business English Live one-hour private follow-up sessions, so that they can continue learning at home or at work
- ▶ Business English in Barbados offers this exclusive Business English intensive executive course, which is tailored to the success of the company and its employees. The course takes place in a first rate location and provides exclusive networking opportunities, so that participants can quickly progress

Who is it for?

It's for business executives whose companies require them to speak English confidently and fluently in business meetings (including teleconferencing), presentations and negotiations
